News

IMPORTANT NOTICE: HOUR CHANGE:

Effective April 5th we will resume our regular hours of operation at both locations: we will be open from 7am - 5pm — Monday - Friday.

COPPER PRICING—Copper is on the rise trading at around \$3.52/pound. Please be careful when quoting and consider buying early to save money as prices rise.

PRICE INCREASES—As the economy gets moving again, some manufactures are passing along price increases to cover increased material costs. Each month in the KCES newsletter we pass along news of announced factory price increases in order to allow you to plan for increases material costs down the road. Just check out his feature, typically on the last page of the newsletter.

PRODUCT SPOTLIGHT

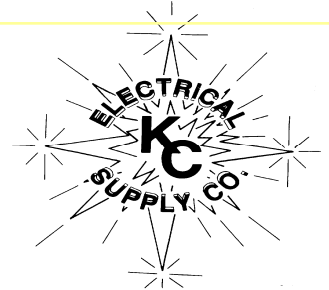

Pull-It® Wire pulling tool from Madison.

KCES is please to offer the Pull-It from Madison. This handy labor saving device allows you to quickly and easily complete pulls of circuit size wires by yourself. Simply mount the Pull-It to your 1900 box and start the pull. The sturdy rollers prevent hang-ups and scuffs. Buy two, one for each end of the run and you are all set.

KCES will be featuring the Pull-It for only \$10.99 for the month of April. <

The Pull-it® wire pulling tool is a new innovative and efficient way to run wire through electrical boxes. No more scuffed wire! The Pull-it® will also help lower labor costs by turning a two man job into a one man task.

April 2010

Invoice & Statement Delivery Options

Did you know we can fax or email your Invoices and Monthly Statement Documents to you?

You can receive them days earlier (allowing you to get more invoices included on your draw) and you will help keep our mailing and handling costs down, saving you money in passed along overhead expenses.

To sign up visit us on the web at www.KCElectricalSupply.com or call our Credit Department at: (913) 563-7005

Meet the Team Member
Sandy Raley-Walker

Inside Sales

Sandy Walker began working with KCES in March 2010 as Inside Sales Support for Doug Huber. She brings a lot of experience to KCES working since 1990 as an electrician and project manager for several major contractors in the Kansas City area. Sandy is a master electrician.

Sandy has been married to her husband Mike for almost a year and enjoys living on some acreage out south with him, 3 dogs, 3 cats and a pig. She has a son, a daughter and 4 grand-children, one of which just arrived on March 23rd!

Sandy likes to cook, play golf and fish and also enjoys hiking anywhere there aren't bears! When asked about her favorite sports team she replied her favorite teams were the ones featuring her grand-kids, nieces and nephews.

We are excited to have Sandy join us and hope you will join us in making her welcome.

WBE CERTIFIED

Kansas City Electrical Supply is WBE certified thru both the city of Kansas City, Missouri and the State of Missouri.

This newsletter is sent out monthly with your statements and is also available from our website at: www.kcelectricalsupply.com/news. You can also sign up online to receive them automatically each month via email.
