Effective July 1, 2008:  
**we began charging a 2 ½% convenience fee to customers paying with a credit card IF your account is past due at the time of payment.**

If your account is not past due or you pay with a check, you will not be charged the convenience fee.

**KCES BOOKSTORE:**

**NOW IN STOCK AT KCES:**

The 2008 Edition of *Ugly's Electrical References*. Over 150 pages of handy reference information including, formulas, wire sizing & conduit fill charts, diagrams and much more.

**New at KCES - the SmartStrip®**

All electronics draw some power even when they are in sleep mode or turned off. For example, a computer monitor uses up to 30 watts even in sleep mode. That adds up to about \$26.67 a year\* in energy costs. Other computer peripherals and home entertainment equipment can draw over 50 watts when off.

It's easy to see that the energy being consumed by all of your "sleeping" electronics really adds up.

The advanced technology in the Smart Strip® combines surge protection with automatic power control. It automatically turns off power to printers, DVD players, and other electronics when they are not in use, saving electricity and money. **Being green just got easy!©**

The 10 Outlet version (Shown) is **\$48.00** and the 7 Outlet strip is only **\$29.99**.

## News from KCES

**Holiday Hours:** We will be **CLOSED** Thursday 1/1/09 in observance of New Years. **We will close at 2pm on the 31st.** We will be open our normal hours Friday 1/2/09. We wish you a Happy & Prosperous New Year!

**January 2009**

**HARVESTERS 2008.** With an increased company goal this year of 1300 lbs, the employees of KCES once again came thru to help those less fortunate in Kansas City with a record setting donation of 1892 lbs!

Congratulations to Team #4, which consisted of Doug Daugherty, Jennifer Jones, Jenny Howard, Jim Moore, Kevin Lichtenauer, Mark Weber, and Tony Rider for their team donation of 586 lbs! Winners of this team received a gift card to a local restaurant.

A big thank you to Doug Daugherty for his idea to collect donations from people in his neighborhood. He made up flyers and passed them out a few days before he & his family went and picked up donations in grocery bags Doug had provided to his neighbors (donated by his local Hy-Vee). Great job thinking outside of the box Doug!

### Invoice & Statement Delivery Options

Did you know we can automatically fax or email your Invoices and Monthly Statements to you? You will receive them days earlier (allowing you to get invoices included on your draw sooner) and you will help keep our mailing costs down, saving you money in passed on overhead expenses.

To sign up visit us on the web at

[www.kcelectricalsupply.com](http://www.kcelectricalsupply.com)  
or call the Credit Dept. at:  
(913) 563-7005

## PRODUCT SPOTLIGHT

### **NEW AT KCES: From Cooper Wiring: Arrow Hart® RhinoBox™ Power Centers**

Safely centralize and distribute or hub and spoke temporary power on your jobsites. Unique patented "stackable" design allows multiple RhinoBox™ units to lock together for safe transport and storage.

Available in NEMA 3R Rainproof and NEMA 1 enclosures. Weather-proof receptacle covers and flip-up circuit breaker cover prevent nuisance tripping and protect from damage and weather.

We will be stocking these units at both locations. A complete brochure is available on our website.
